Employment Experience

CEO and President

November 1984 – Present

Masi Research Consultants, Inc.

P.O. Box 990268

Boston, Massachusetts 02199

Chief Executive Officer for the development and implementation of professional services for MASI Research Consultants, Inc., including research, design and evaluation of Employee Assistance Programs (EAPs), Drug Free Workplace, AIDS in the workplace, Managed Mental Health (MMH), and Workplace Violence and other related workplace programs for private corporations, public organizations and government agencies. Provides quantitative (cost-effective studies) and qualitative evaluation for EAPs including Peer Panel Review of records.

Assists employers in designing overseas and domestic EAPs and special programs with EAPs to address unique company needs including services for small companies, female employees, and overseas employee populations.

Clients have included American Management Association, Apple Computer, Inc., Bristol-Myers Corporation, District of Columbia Government, IBM Corporation, Lafarge, Merrill Lynch & Company, Pfizer, Toyota, the US Postal Service, the US Internal Revenue Service, the US House of Representatives, and the US Senate.

Maintains consulting staff of interdisciplinary professionals, including psychometricians, psychiatrists, psychologists, social workers.

MASI is certified with the Commonwealth of Massachusetts as a woman-owned business (WBE) with the State Office of Minority and Women Business Assistance (SOMWBA).

**Resident Scholar
National Catholic School of Social Service
The Catholic University of America
Washington, DC**

2010-2014

In partnership with Catholic University, MASI developed and coordinated the first International EAP Online Certificate program. The program consisted of two courses which could be taken individually or as a whole. The students completing both courses received a Professional Education Certificate in EAPs from Catholic University. MASI was involved in all aspects of the program, including teaching, selecting faculty, developing curriculum, and marketing the program.

**Professor Emeritus
University of Maryland
Graduate School of Social Work
Baltimore, MD**

September 2004 – Present

**Professor
University of Maryland
Graduate School of Social Work
Baltimore, MD**

**August 1980 – August 2004
Jessie Harris, Dean**

Directed Employee Assistance specialization. This included teaching graduate courses on "Human Services in Industry," and "Administering Employee Assistance Programs." Monitored internships at 35 occupational sites including Amtrak, the National Security Agency, Westinghouse Corporation, and the United States Congress EAP. Was responsible for securing more than \$70,000 per year in stipends. Directed graduate research group each year in EAPs.

Directed MBA/MSW Specialization, a dual degree program between the University of Maryland College of Business and Management and the School of Social Work.

Served as Program Director, Residential School on EAP Management and Clinical Practice.

Directed numerous research projects including 2-year study of Workers Compensation at the National Institutes of Health and two years study of Work/Life online and telephone counseling funded by Ceridian.

Served on the Doctoral Committee, University Senate, Executive Committee, Curriculum Committee, Academic Promotion & Tenure Committee and other academic committees.

**Project Director
NIH Grant: Rapid Response to College Binge Drinking
Northeastern University
Boston, Massachusetts, USA**

**2005 - 2008
Dr. Philly Mantella**

This grant takes the EAP essential ingredients and applies them to the problem of college binge drinking. As the Project Director and author of the grant, responsibilities include oversight and interpretation of the EAP concepts, training faculty, educating students and evaluating the clinical operation of the program.

**Visiting Lecturer and Director, Bocconi MIHMEP Network
Development Advisor for North America
Bocconi University
Milan, Italy**

2003 - Present

The Masters in International Healthcare Management Economics and policy program at Bocconi University requires a three month internship. Students come from all over the world and classes are taught in English. As development advisor for North America, responsibilities include researching internship placements and matching them with appropriate students.

**Director
Employee Counseling Services
US Department of Health and Human
Services**

**August 1979 – 1984
Thomas McFee
Assistant Secretary for Personnel**

Administered the development and implementation of the model Employee Counseling Services Employee Assistance Program (ECS/EAP) for the federal government in the U.S. Department of Health and Human Services (USDHHS) for 175,000 employees.

Administered ECS program for 16 offices located in 12 major cities in the US with approximately 100 professional staff in these offices. Maintained responsibility for a budget which exceeded \$2,000,000.

Developed and implemented policy guidelines for use by Departmental agencies in the establishment of programs that comply with provisions of Public Law 91-616 and 92-255.

Developed and implemented a comprehensive 30 month evaluation system to assess program effectiveness related to increased work productivity and decreased health care costs.

Acted as Project Officer for the following contracts:

- Evaluation of DHHS ECS Program
- The ECS Supervisory Training Package
- The ECS Model for Senior Executive Service
- The ECS Model for Evening and Weekend Alcoholism Treatment in the Workplace
- The ECS Model for Indian Health Services
- The ECS Model for Picturephone Counseling

**Associate Professor
Boston College
Graduate School of Social Work**

**1972 – 1979
June Hopps, Dean**

Principal Investigator for the National Institute on Alcohol Abuse and Alcoholism (NIAAA) grants totaling \$750,000.

Developed and administered the first training program in the country for professional social workers in EAPs at Boston College.

Directed programs in employee assistance at the five sites and managed all activities relating to more than the 2,000 clients seen and the more than 1,000 supervisors trained in the Boston area. Encompassed 51 companies based upon the following contracts from 1972-1979.

- The United States Air Force Hanscom AFB
- Kennedy Federal Building (consortium of federal agencies)
- The cities of Taunton and Brockton, MA (EAP for 19 small companies)
- New England Telephone Company, Boston office (10,000 employees)

Administrative Responsibilities, Chairwoman, Masters in Social Planning Program, June 1974 to January 1977.

Administered work of academic program; 7 faculty, 56 students, 2 secretaries.

Directed program, including admission, awarding of scholarships, field placements.

Taught the following courses: "Community Organization," "Social Planning," "Advanced Community Organization," "Industrial Social Work," and "Organizing for Women."
